WE ARE ABOUT PEOPLE...
WE ARE ABOUT SERVICE...
AND MOST OF ALL WE ARE ABOUT YOU...

Customer service to me is all about the residents and taking care of their needs and concerns in a timely, courteous and professional manner. Customer service with prospective residents to me means being friendly, caring, knowledgeable about your product and area and making them feel that you are there for them and that they will love living at your community and refer others who want to make our community their new home.
